Dear Katrina

### **Re: Installation of additional sockets for Festive lighting**

We thank you for your valued enquiry and have pleasure in submitting our quotation as follows: To Install 2no. Adaptable boxes along Hedge row mounted on Unistrut secured with postcrete. Each Adaptable box will contain a Single IP rated Socket Within. New 2.5mm SWA Cable will be Provided for the Full duration of Circuit once it exits the Building to replace current Non-Regulation cable.

**All for the sum of £960.25+ VAT @ 20%.**

This quotation is offered under Bebbington & Wilson Limited Terms & Conditions, where a copy can be provided on request

We trust you find this information in order. If we can be of any further assistance, please do not hesitate in contacting the writer.

Yours Sincerely

*J Ellis*
