PURPOSE FOR WHICH A GRANT IS APPLIED FOR:

With the new curriculum in Wales coming into force with an increased focus on Outdoor learning provision, added to the emphasis on utilizing the outdoors as a classroom, due to Covid guidelines, we are keen to get the whole school outside to learn in our fantastic grounds. Unfortunately, we have found that we have a severe lack of outdoor tools to use the areas to their full potential, therefore, we have put together a wish list of equipment which would allow children across all age ranges to get used to safely using tools to care for and help maintain their environment. As well as fostering a love for the outdoors, vital in a rural environment such as ours, they will also be developing other areas such as their fine motor skills and skills of creativity. We have also recently developed our pond area and have costed bug hunting and pond dipping equipment to help use this resource for our Science curriculum.

We are writing to you for assistance with the funding as our normal fundraising routes such as PTA functions have been adversely affected due to the restrictions that the pandemic has thrown up.

AMOUNT APPLIED FOR:
£443.49
