

Background

Village Forum

There are many excellent village groups in Overton and it is our vision is to get them all together in a Village Forum, meeting at least four times a year, to exchange ideas and information, in order to form a cohesive village plan/calendar.

It is our intention to provide a specific space for group discussion. Events would be advertised and proposed plans could be shared within the forum. And, if possible, OCC or other groups could support and promote planned events and projects.

As all the groups in the village would be represented it would be easier for them to share events and plans. The Village Forum would not be a group in itself and therefore would have no income.

We would like to invite you to join the Village Forum being set up by Overton Community Council (OCC). If you are interested in being a part of this forum, please could you forward me the name of a representative from your group/organisation and their contact details?
